ABDENNACER DERBAL

SAP System Administrator @ SARL MANSOURI METAL BOX |
Master's in Big Data
Annaba, Algeria

Résumé

With a Master's in Big Data from UBMA University, I am a skilled and motivated SAP System Administrator consultant at SARL MANSOURI METAL BOX, Algeria's leading metal packaging company. I have worked on SAP support, migration, and upgrade projects for over a year, delivering high-quality solutions and services to clients.

I have extensive experience in SAP Business One SQL / HANA implementation, data recovery and transfer, reporting and customization, and specific development for users. I have successfully deployed SQL / HANA databases, created standard reports and dashboards, and trained the Crystal reports. I have also used my analytical skills and data processing tools to optimize and improve the SAP Business One solution. I am passionate about learning new technologies and enhancing my competencies in the ERP field.
